Dear Joe:

Enclosed are several invoices which will close out Contract AP-1940. The following are the amounts expended and the funds presently allotted:

	Allotted	Expended
Inception thru 30 June 1959	5,877.13	5,830.64
1 July 1959 thru 30 June 1960	14,838.95	21,839.82
1 July 1960 thru Completion	17,500.00	22,177.09

I have, wherever possible, included copies of expense invoices, but on Ed's trip home with his family, I am missing some for meals, etc. However, the charges for his entire family seem to be very reasonable.

Also enclosed is a separate report of various trips that were made and which you will want to forward to [redacted] for his approval.
